Park History

In 2007, a small group of volunteers who believed in a dream started to raise the money needed to build the park. Eventually, \$30,000 was donated from area citizens, memorials, and fundraising events. On September 25, 2010, the City opened the Waggin' Tails Dog Park.

The six-acre fenced dog park is located at the northeast corner of the Veterans Administration (VA) Park. The park features grassy knolls divided into two areas. Watering stations are provided on both sides for owners and their canine companions. Portable restroom facility is available. Memorial Benches and Legacy Trees are placed throughout the park.
